Agenda of the EARMA 10th ERION Meeting, 17 November 2022

RESEARCH INTEGRITY PROMOTION PLANS: FROM CREATION TO IMPLEMENTATION

ERION is the Ethics and Research Integrity Officer Network within EARMA. It is an open community to discuss the practical and implementation side of Research Ethics and Integrity. The community is for all those that need to ensure compliance, efficiency, functionality, fairness and robustness in the practices and processes in their organisation. Such people may have titles as Ethics/Integrity Officer, Administrator and many others. You should have the role of a practitioner within your organization. This event is NOT about Research in Ethics and Research Integrity.
